Trust Partnership Leaders in Learning and Inspire Trust – next steps

In June/July 2022 the Trust Boards of Leaders in Learning and Inspire Trust signed a resolution to merge these two multi-academy trusts.

Following a period of joint working, under-pinned by a Trust Partnership Agreement, the two boards have concluded that working more closely together, within a single multi-academy trust is beneficial to the educational provision, will impact positively upon outcomes and will drive up the quality of education, within a multi-phase, multi-academy trust.
