

Y13 – ready to progress!

January UCAS deadline then Extra opens offering more choices. Live apprenticeship and employment vacancies shared with all students throughout the spring and summer term.

Y13 – summer results day!

We will help you confirm your applications for university, employment and apprenticeships & support you through extra choices in clearing and connect you with live apprenticeship vacancies.

Y13 - 'Job Ready'

From December support via drop-ins and 1:1 appointments for: CV writing, application completion, vacancy searching and practice interview skills. February 'Job Ready' event in college with current apprentices and employers/training organisations looking to recruit to vacancies with a Summer start!

Y13 – Early Applications

UCAS 'early bird' (Medicine/Veterinary/Dentistry/Oxford/Cambridge support and mid-October deadline. UCAS drop-ins & December internal deadline. Mock interviews for competitive courses.

UCAS

Y12-Y13 Summer

Work experience and personal statement preparation.

Y12 – Journey to Higher Education

Begin your UCAS hub registrations in tutorial and attend briefings for competitive and 'early bird' courses. With parents/carers join our May 'Journey to Higher Education Event' with over 30 Uni's present and sessions on: student finance, course choice, writing an effective personal statement and degree apprenticeships. Attend the June UCAS Sheffield Arena event.

Y12 - 'mini' appointments

All Y12 students have a scheduled 1:1 appointment with a member of the careers team; all students applying for competitive courses have a 1:1 appointment with the work placement team

Y12 & Y13 October Next Steps Event

Over 70 Higher Education, employer and voluntary organisations present at TRC for all students to research their future progression opportunities.

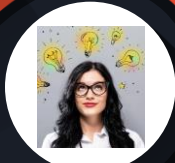

Y12 – Induction Seminars

Covering: Local labour market information and opportunities, skills employers are looking for, options and destinations after TRC.

Y12 – 'Careers Check-in'

Check-in appointments offered before subject change to confirm that you are on the right subjects for your intended vocation.

Y11 into 12

Pre-enrolment: Post-16 Careers Events in Schools; Advice and Guidance at TRC Open Evenings; during enrolment support around correct subject choice for future career aspirations.
