Next Steps Event

Monday 25th November 2024

All our L2, Y12 and Y13 students attend and meet a range of Higher Education providers and local employers (last year we had 80+ exhibitors!). For Y12 and L2 this is an opportunity to find out about their range of future options after completing studies at TRC. For Y13's and some L2 students this is a chance for employers to share upcoming apprenticeship and employment vacancies. During the event we offer Y13 students who are focused on going into employment the opportunity for a mock interview with a visiting employer and we would welcome any offers of help for this.

- 11.30am - setup and tea/coffee/lunch grab-bag
- 12.00pm until 4.25pm - the event runs as timetabled sessions for groups of students
- From 5.00pm until 6.30pm - parents are invited to attend with their son/daughter to visit exhibitors and attend next steps briefing seminars

Journey to Higher Education Event

Wednesday 7th May 2025

An opportunity for our Y12 students and their parents to attend a Higher Education providers fair and a range of seminars supporting their application to Higher Education. As well as covering course choice and student finance we also include information about degree apprenticeships; we welcome any employers who recruit to higher and degree apprenticeship vacancies to attend.

- 3.30pm - setup and refreshments
- 4.00pm until 7.00pm – exhibitors fair and information sessions

Work related learning opportunities

All year round!

We welcome employer partnerships and work-related learning across all our curriculum areas and actively seek opportunities for students to have experiences which enable their development of employability skills and awareness of career pathways and opportunities.

Activities might include:

- Employer set projects
- Talks in lessons
- Work insight visits
- Work experience
- Volunteering

Our curriculum is extensive!
