

Y13 'Mind the Gap'!

Targeted 1:1 and small group support for students (at risk of NEET) and subject related recruitment initiatives – for example Health and Social Care employment recruitment in partnership with RMBC.

Y13 – Early Bird & all applications

- UCAS 'early bird' (Medicine/ Veterinary/ Dentistry/ Oxford/ Cambridge) support and mid-October deadline.
- UCAS drop-ins & December internal deadline.
- Mock interviews for competitive courses.

Y12 – Journey to Higher Education

Begin UCAS hub registrations and attend briefings for competitive and 'early bird' courses. With parents/carers join our spring 'Journey to Higher Education Event' with over 30 Uni's present and sessions on: student finance, course choice and degree apprenticeships. Attend the June UCAS Sheffield Arena event!

Y12/13 November Next Steps Event

Over 80 Higher Education, employer and voluntary organisations present at TRC for all students to research their future progression opportunities. FUTURES – planning and reflection

Y12 – 'Subject Change'

Check-in appointments offered before subject change finalised to confirm that you are on the right subjects for your intended vocation/destination.

TRC
Thomas Rotherham College

Y13 – summer results day!

We will help you confirm your applications for university, employment and apprenticeships; support you through extra choices in clearing and connect you with live apprenticeship vacancies.

Y13 – ready to progress!

After January UCAS deadline Extra opens offering more choices.

'Job Ready' students receive support from JCP+, RMBC Employment solutions, info on live apprenticeship & employment vacancies, mock interviews, CV and application support. RMBC direct TRC recruitment for key areas, H&SC, IT, Education, NHS Jobs etc

Y12 'Futures' tailored tutorial programme & Y12-13 Work Exp

July f2f work experience week and virtual work-related learning (Springpod), summer placements; CV, application and personal statement preparation.

Y12 1:1 appointments

All Y12 students have a scheduled 1:1 appointment with the careers team; all students applying for competitive courses have an early 1:1 appointment with the work placement team

Y12 – Futures (1) Seminar

Covering: TRC Top Ten Skills & Attitudes; Local labour market information, options after TRC.

HE Access & Mentoring Schemes

Y11 into 12

Pre-enrolment: Post-16 Careers Events in Schools; Advice and Guidance at TRC Open Evenings; during induction support for correct subject choice for future career aspirations.

Friday Futures weekly updates & employability throughout the curriculum

During enrolment: guidance around correct subject choice and entry criteria for future career aspirations & advice on alternative L2 options from RNN Group.
